Buyer's Initials _____

Limited Warranty

One year builders warranty in accordance with “builders warranty”. Please consult actual Limited Warranty for a more exact description of limitations and coverage.

Scheduled pre-closing walkthrough inspection to assure satisfaction prior to closing

Selections by the Buyer

Selections: Many items contained in this agreement require selections by the buyer. It is therefore necessary that all material and color selections be completed in a timely manner. The builder must be advised of all selections to provide ample time for the procurement, installation and avoidance of delivery delays. If buyer fails to select items within a timely manner determined by builder, builder reserves the right to make said selections. All allowance are towards material & labor.

Change Requests: Any change in the standard specifications or plan made subsequent to the Purchase & Sales Agreement will result in additional charges to be determined by the builder.

Special Orders: Any special orders resulting in a delay with relation to lead-time of our standard offerings will result in additional costs to the buyer to be determined by the builder. These costs will be time and materials plus cost of carry for the builder.

Extras: All extras shall be billed to the buyer and will be immediately payable to the builder or vendor at the time of order and prior to install. A 20% overhead and profit fee will be invoiced to Buyer on all overages.

Exclusions

Gutters, towel & toilet paper rods, door stops, shower rods, water treatment systems of any type, granite mailbox posts, bathroom mirror install, radon fans, lawn irrigation, building permit fees, survey fees and engineering fees.

Plan Design: The builder will supply stock plans from builder selection. All charges for design time and construction drawing changes is to be paid by buyer.

Final Cleaning: House and grounds to be left "broom" clean. Fine cleaning to be done by Owners.

Sub-Contractors: Sub-contractors play a significant role in the successful and timely completion of your home. They work on very tight schedules adding lengthy discussions will only delay the process. It is our policy that no sub-contractors discuss monetary topics or change requests with customers. All questions related to your home must be channeled through the listing broker and/or a builder.

Site Visits: Safety is the number one concern at our site. Unless accompanied by the listing broker or a builder representative, buyers are asked not to visit the site.
